**EXAMINATION DEFEREMENT REQUEST**

Your request for deferment of examinations of the September semester 2020/2021 has been approved at your expense and no further commitment from the school.

You would thus be expected to write the deferred exams in the next semester examination or whenever convenient.

With Compliments.

Dear Sir,

### APPLICATION TO DEFER A SEMESTER

NAME: IHEDORO EMMANUEL  
REGISTRATION NUMBER: P20DLPH80628  
DEPARTMENT: MASTER IN PUBLIC HEALTH (MPH EPIDEMIOLOGY)  
PROGRAMME: POST-GRADUATE 2020/2021 C

I, Ihedoro Emmanuel an MPH Epidemiology student with ABU-DLC with the above details do humbly request to defer this Semester and its forthcoming exam.

However, I request for the preservation of my personal and group assignment scores, quiz, and forum interaction and discussions scores as the case maybe.

My reason for deferment is because

1. I lost my mother during the course of preparation for examination which has thrown a strong emotional and financial burden on me as the first son, making me unprepared for the examinations.
2. I want to commit my full attention toward next semester to obtain excellent results.

Thank you for your urgent considerations.

Yours Sincerely

Ihedoro Emmanuel
