Deputy Director Academics,
Distance Learning Centre,
Ahmadu Bello University, Zaria.

Through:
Programme Coordinator,

Sir,

APPLICATION FOR EMERGENCY DEFERMENT OF SEMESTER EXAMINATION

I am currently a postgraduate student with Matriculation Number: P21DLPS80123 and registered the following courses: MIAD 809 (Tutor: Rabiya Momodu Bukola), 810 (Tutor: Dr Sanusi Khadijah Gumbi), 812 (Tutor: Fatimah Mahmood), 814 (Tutor: Dr Aminu Hayatu), 816 (Tutor: Dr David Moveh) and 828 (Tutor: Dr Emmanuel Ejor).

I have had the privilege of participating in the class for the semester and working on all the assignments and tasks assigned by the tutors, as the examination is scheduled to start from 13th May, 2023.

However, due to the nature of my assigned duties as the Special Adviser to D/CEO at the Nigerian Financial Intelligence Unit (NFIU), I am currently coordinating a task colored with National Security implication both within and outside the country.

In view of the above sterling reason, I humbly apply for the emergency semester examination deferment to enable me complete the task already going on, Sir.

Thank you in anticipation of your prompt response, Sir.

Yours faithfully,

Junaidu Bello Marshall
