Programme

Dear Sir/Ma

APPLICATION FOR COMPLAIN

My complained was that we missed our examination scheduled for SATURDAY which happened to be a day on environmental sanitation in Kano. We did not get the information of resuming early as we arrived late to the venue.

The course title is MIAD 805 AREA STUDIES (MIDDLE EAST)

I have my assignment and all the quiz done only the examination.

I request for the deferment of only the examination and have registered and paid for the course last semester.

Regards
