DEFERRED EXAM LETTER

TO WHOM IT MAY CONCERN,

I am writing to request a deferral of my HPPY225 examination held on 16 MAY 2023. I was not able to attend the examination on that day because of work. I was on night shift the previous day and at about 4:43am, my patient was rushed into the theater for an emergency cesarean section. The surgery ended at 8:15am on 16th may 2023. I happened to be the only nurse on duty and before the patient could be moved to the ward and attended to alongside the baby it was past 9. I left the hospital facility 10:23am.

I could have rushed to my exam venue to see if I will be considered, but I feel relaxed because I heard exams could be re-scheduled, but unfortunately was told the previous day on the 17th may 2023 that the course in question has been written before.

Please sir / ma I appeal for consideration and hope my request is been pardon.

Your faithfully

Idoko Maureen
